

Fire Statement - Monday 6th February

On Sunday morning (5th February) a fire broke out at Lido and our management team immediately evacuated all customers and staff to safety.

We are relieved that everyone who was in the venue at the time is safe and well. Strathclyde Fire & Rescue were quickly in attendance and our thanks go to the attending fire crews for their efforts.

Lido has suffered severe fire damage and is now closed. We will be working closely with Strathclyde Fire & Rescue to establish the cause – but they have assured us that yesterday's fire was completely unrelated to a minor fire alert we had at Lido a few weeks ago.

We are extremely saddened by this incident and would like to thank the many customers who have been in touch to offer their support and good wishes.

It is our intention to redeploy the staff at Lido in to our other venues where possible and to rebuild the venue as quickly as we can.
