

PIZZA

We stone-bake our pizzas at 500°C for a delicious and authentic taste. Each pizza base is handmade with “00” flour, proofed for 24 hours and then proofed again for a light, soft, dough.

Our sugo is made from Fontanella San Marzano tomatoes, garlic, fresh basil and extra virgin olive oil (EVOO), thats it.

Our mozzarella is fresh Fior di Latte from Campania & Bocconcini mozzarella pearl del Campania
